Website: <https://www.mybusybee.net>

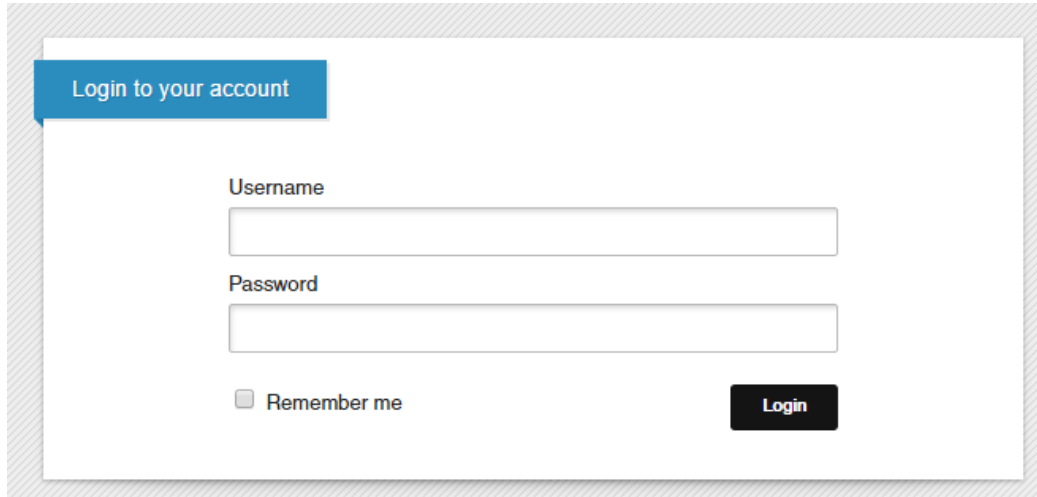

Thank you for choosing Busybee BrandTxT for your SMS needs.

It is our commitment to provide you with the best and reliable 24-hour SMS system all over the country. We guarantee your satisfaction and money's worth on every transaction made with us.

To help you know more about our services and what you can expect from our staff, please refer to our company website
www.mybusybee.net

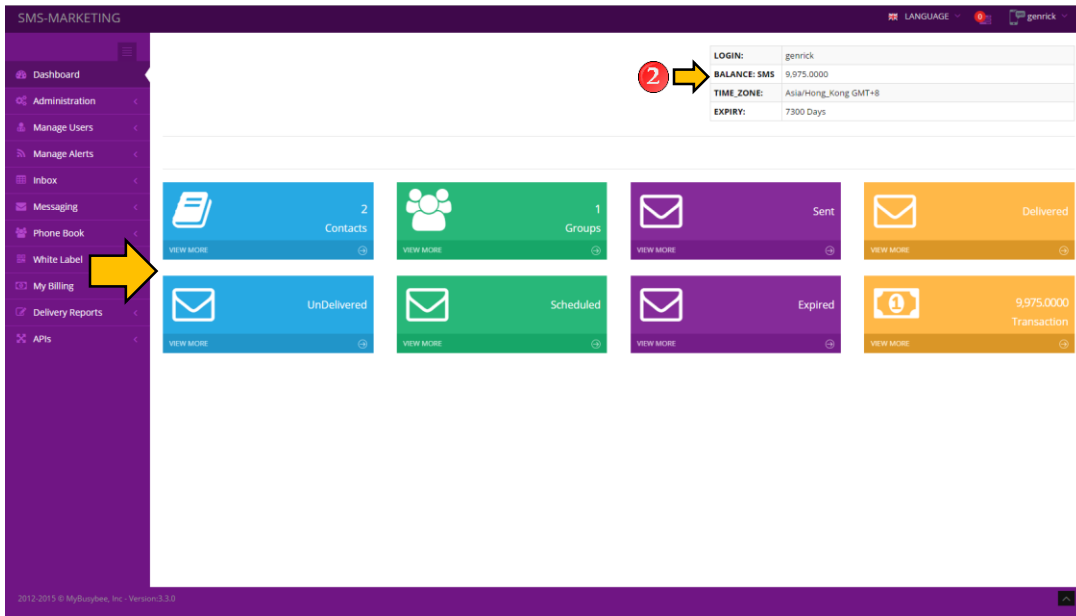

HOW TO USE THE BUSYBEE BRANDTxT

1. Go to sms.mybusybee.net
 - Log-in

The login form is titled "Login to your account". It contains two input fields: "Username" and "Password". Below the password field is a checkbox labeled "Remember me". A black "Login" button is positioned to the right of the "Remember me" checkbox.

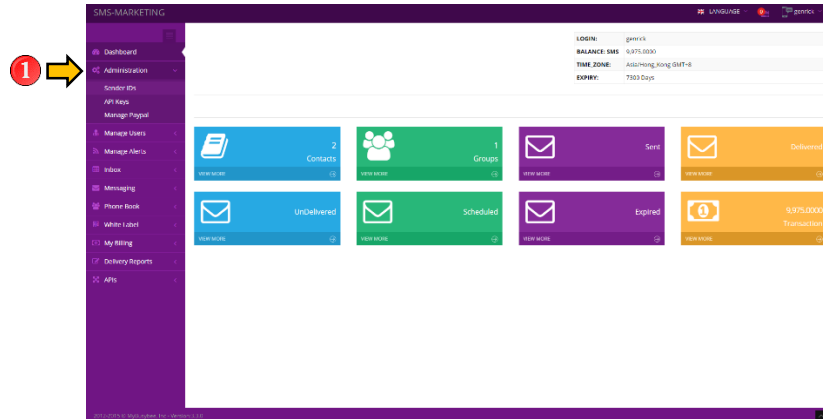

2. In your Dashboard, you will see on the upper right side the Total Number of your Account's Credit and Statistic Box for the counter of the following:
Contacts, Groups, Sent, Delivered, Undelivered, Scheduled, Expired and Transaction

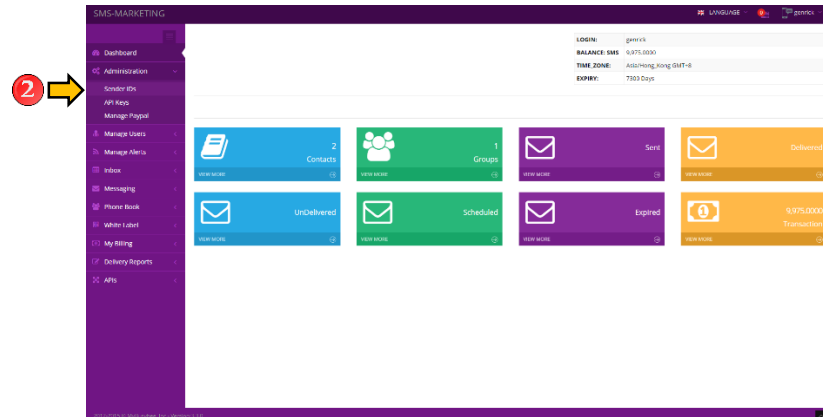

The dashboard is titled "SMS-MARKETING" and features a purple sidebar with navigation links: Dashboard, Administration, Manage Users, Manage Alerts, Inbox, Messaging, Phone Book, White Label, My Billing, Delivery Reports, and APIs. A yellow arrow points to the "White Label" link. The main content area displays a "LOGIN:" box with fields for "BALANCE SMS" (9,975.0000), "TIME_ZONE" (Asia/Hong_Kong GMT+8), and "EXPIRY" (7300 Days). Below this is a grid of eight colored boxes representing account statistics: Contacts (2), Groups (1), Sent, Delivered, Undelivered, Scheduled, Expired, and Transaction (9,975.0000). Each box has a "VIEW MORE" link. A red circle with the number "2" and a yellow arrow points to the "LOGIN:" box.

ADMINISTRATION – SENDER IDs

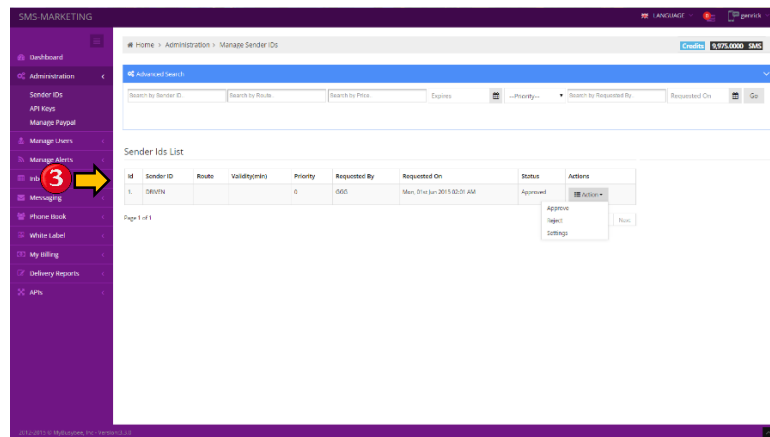

1. Click Administration to view all the options.

2. Click the Sender IDs Sub-Menu under the Administration

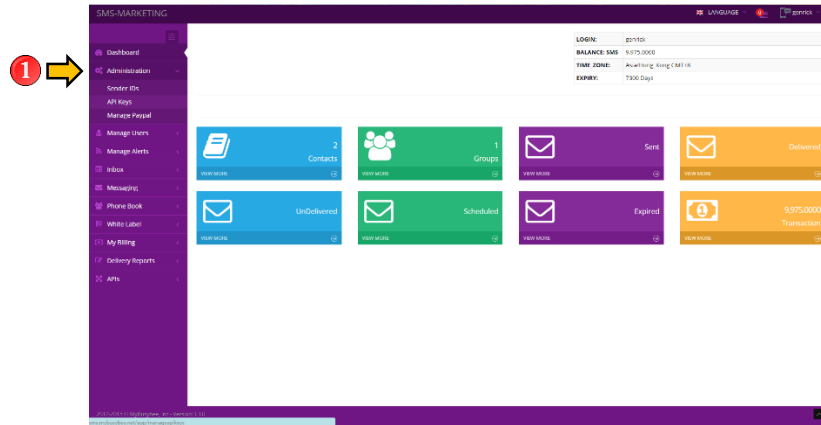

3. Sender IDs is where you can view all the Sender ID requested by your sub-accounts. You can “approve” or “reject” it.

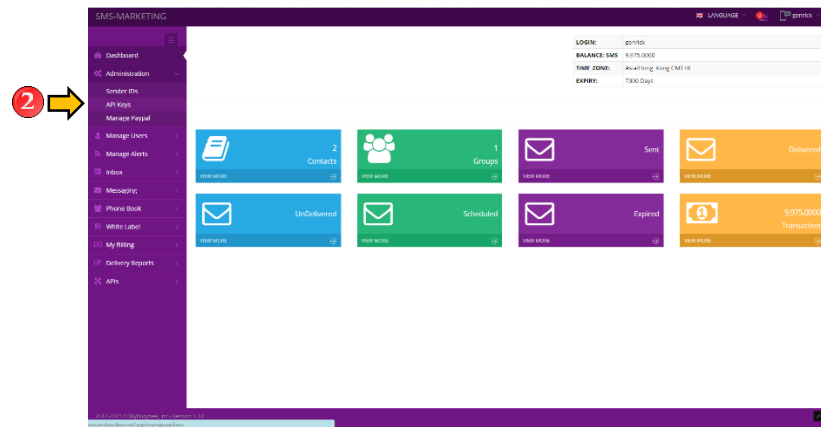

ADMINISTRATION – API KEYS

1. Click Administration to view all the options.

2. Click the API Keys Sub-Menu under the Administration

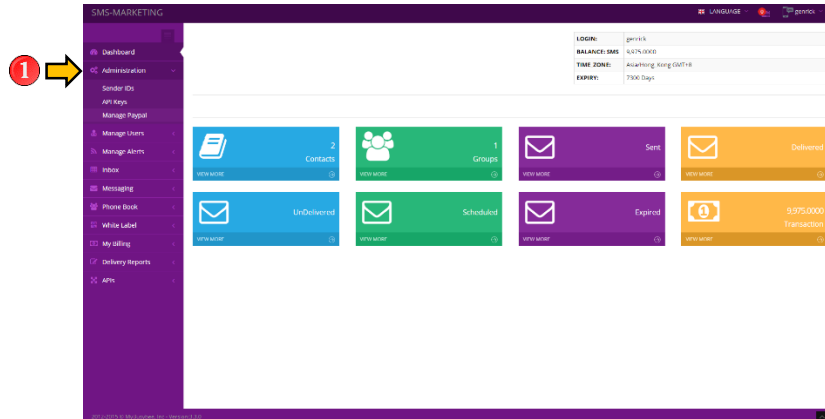

3. This is where you can view all the API Keys requested by your sub-accounts.

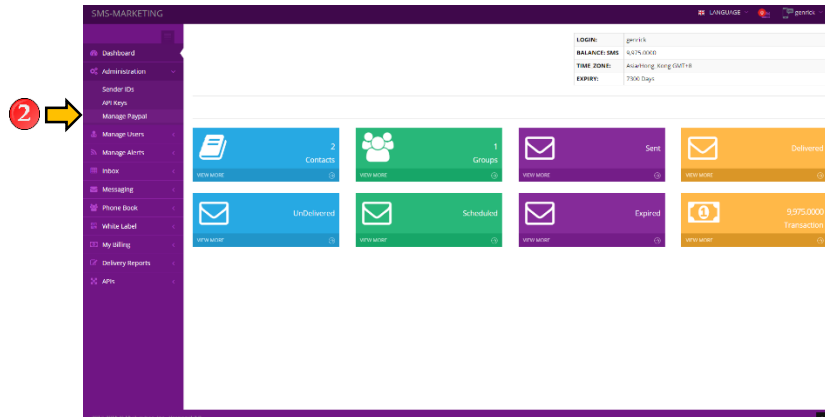

ADMINISTRATION – MANAGE PAYPAL

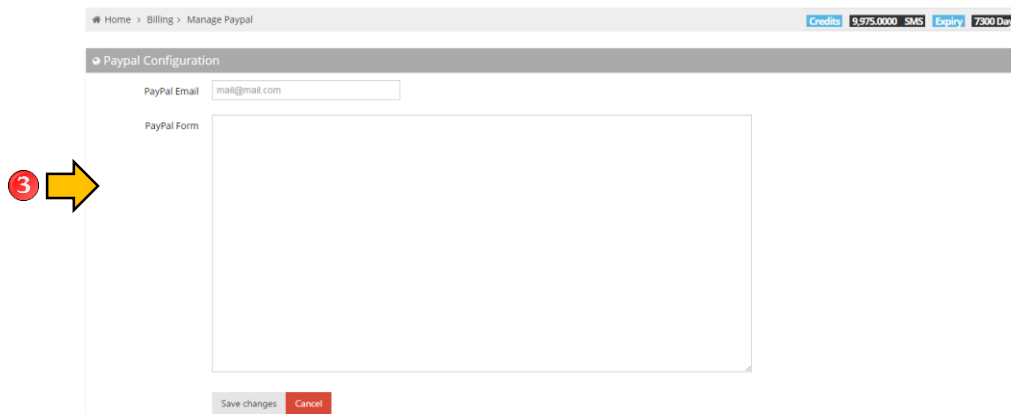

1. Click Administration to view all the options.

2. Click the Manage Paypal Sub-Menu under the Administration

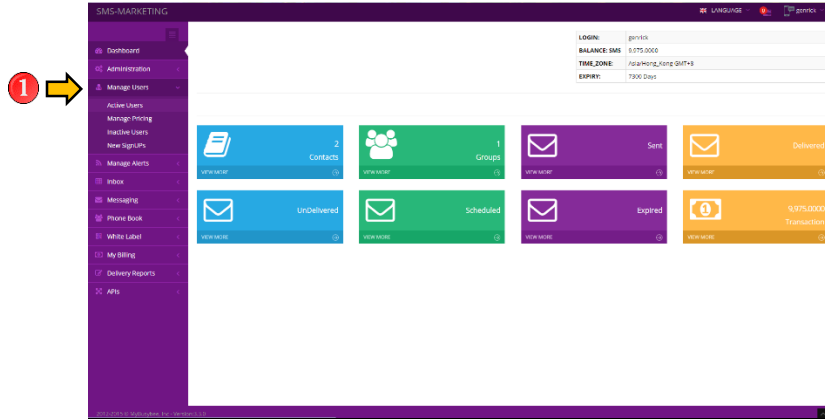

3. This is where you can manage your own PayPal account.

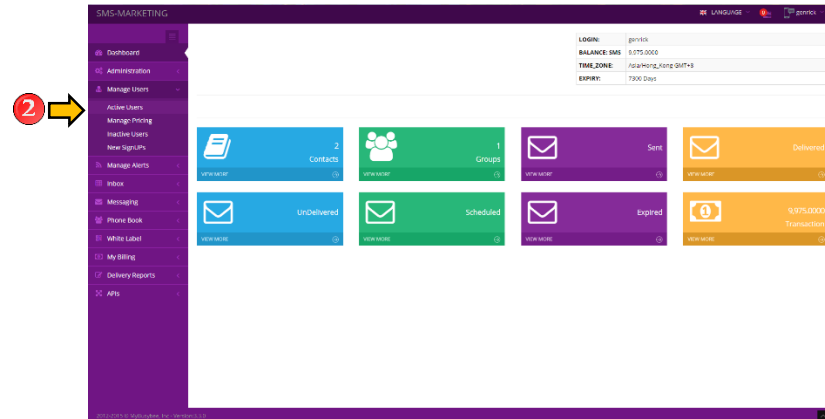

MANAGE USERS– ACTIVE USERS

1. Click Manage Users to view all the options.

2. Click the Active Users Sub-Menu under the Manage Users

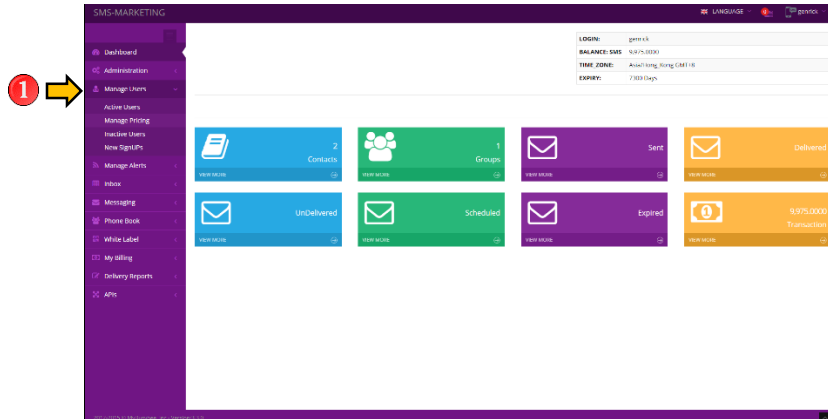

3. This is where you can see all the active users under your sub-account. You can export the list by clicking the “Export Active Users”. Add new user by clicking “Add New” Button and Disable user by clicking “Disable” button.

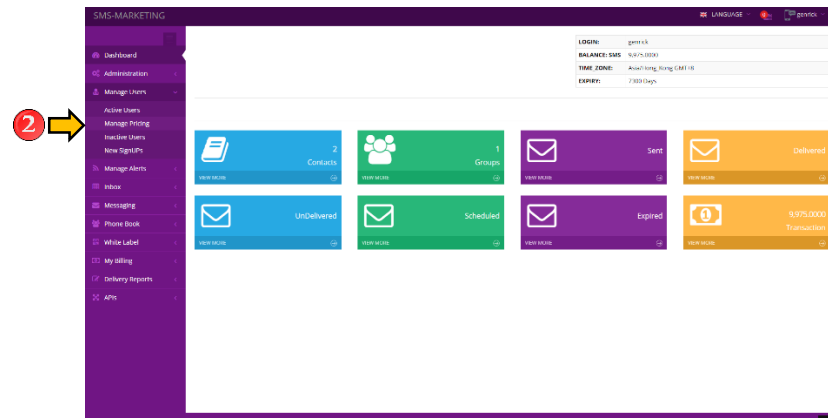

MANAGE USERS– MANAGE PRICING

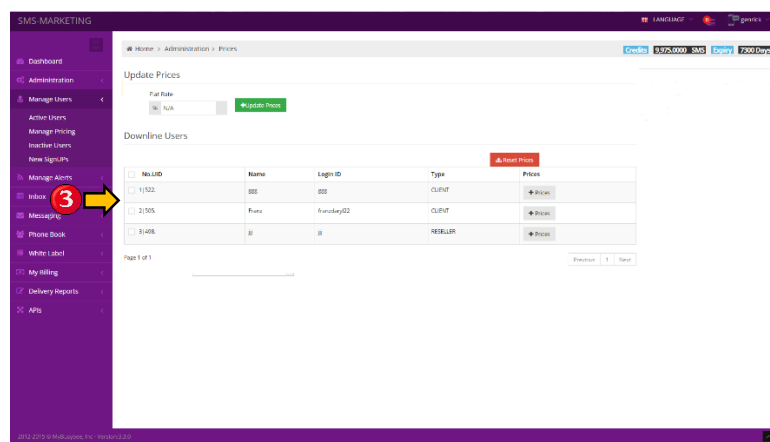

1. Click Manage Users to view all the options.

2. Click the Manage Pricing Sub-Menu under the Manage Users

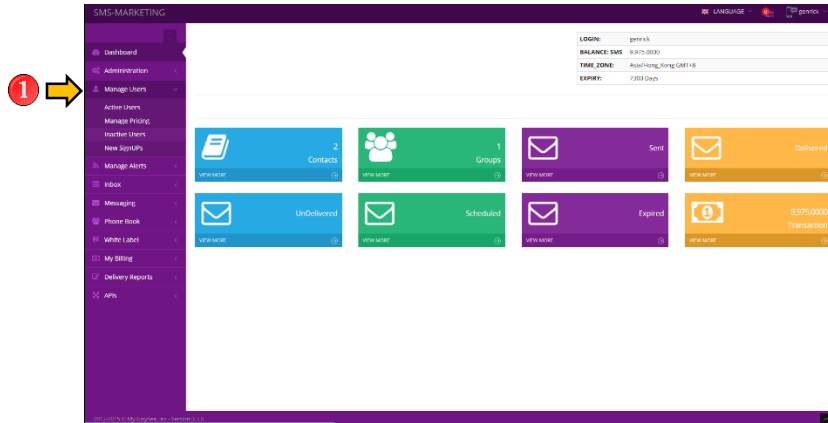

3. Manage Pricing is where you can view the entire User's Account and User's Type. Kindly click "+ Prices" to view the prices you set for each account.

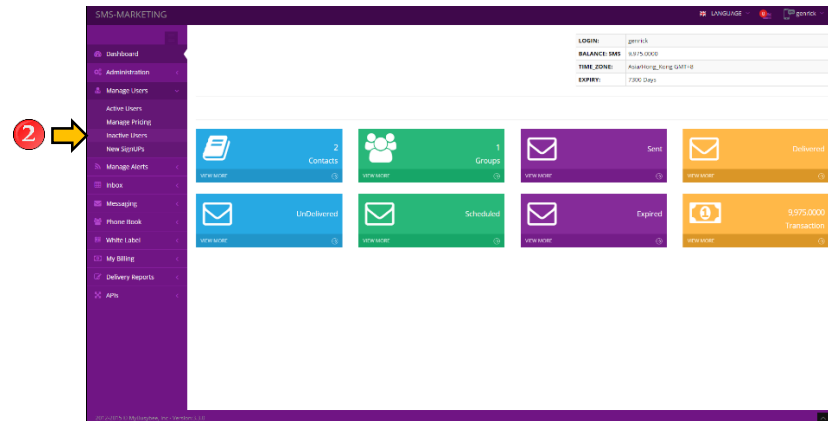

MANAGE USERS- INACTIVE USERS

1. Click Manage Users to view all the options.

2. Click the Inactive Users Sub-Menu under the Manage Users

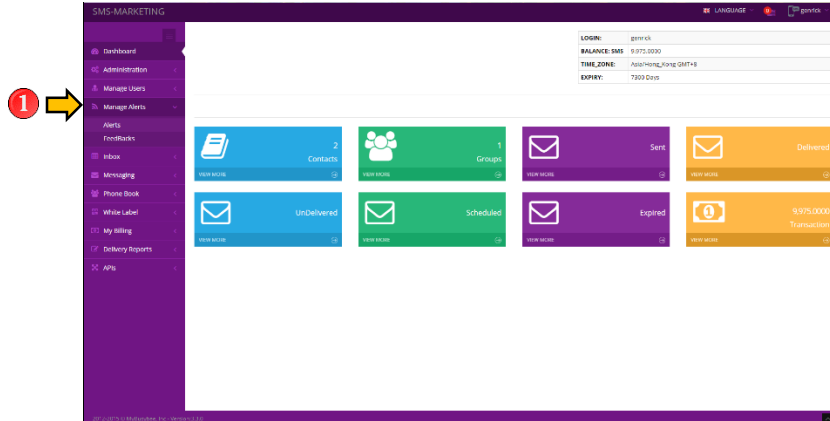

3. This is where you can see all the inactive users under your sub-account. You can export the list by clicking the "Export Inactive Users" and Enable user by clicking "Enable" button.

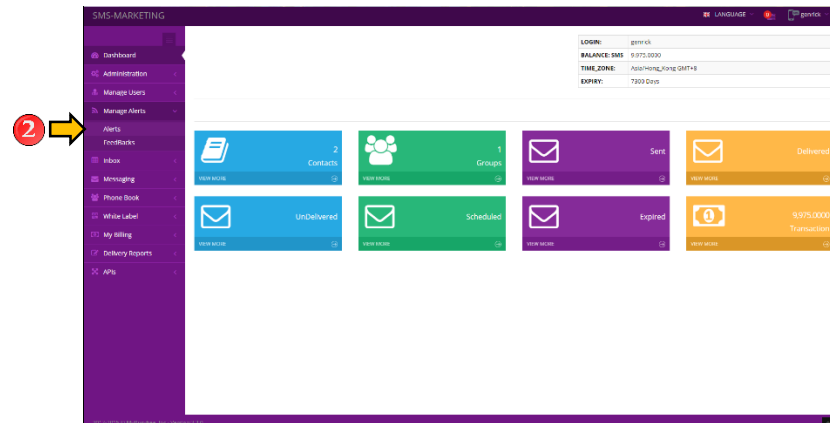

MANAGE ALERTS- ALERTS

1. Click Manage Alerts to view all the options.

2. Click the Alerts Sub-Menu under the Manage Alerts

3. This is where you can create a notification that will appear in all the subaccounts' Dashboard.

Home > Administration > Alerts Credits 9,975.0000 SMS

MANAGE ALERTS– FEEDBACKS

1. Click Manage Alerts to view all the options.

2. Click the Feedbacks Sub-Menu under the Manage Alerts

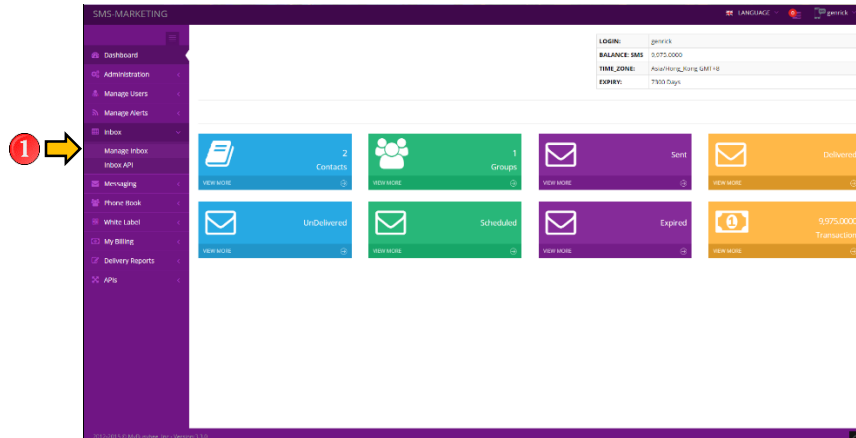

3. This is where you can see all the feedbacks under your sub-account.

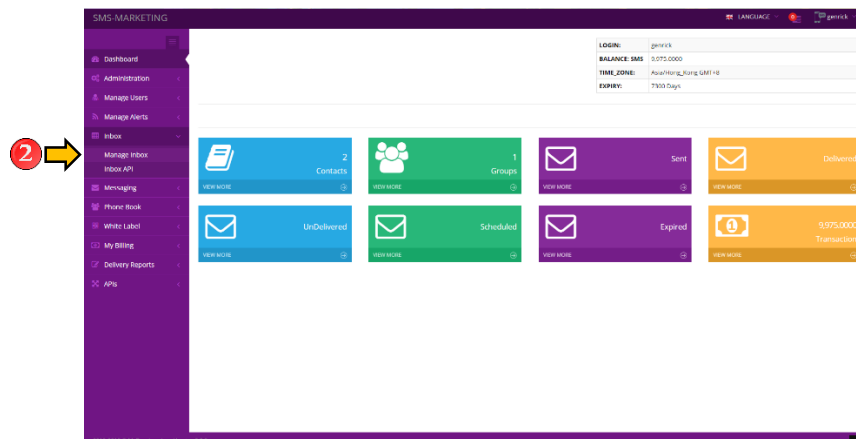

INBOX – MANAGE INBOX

1. Click Inbox to view all the options.

2. Click the Manage Inbox Sub-Menu under the Inbox

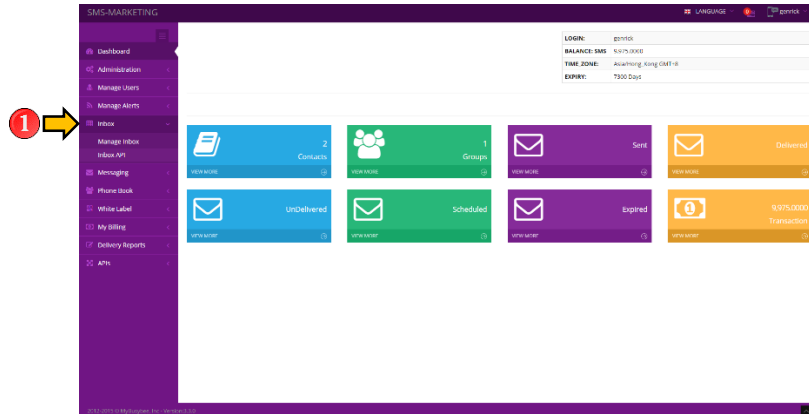

3. This is where you will see the lists of your inbox. You can download the reports by pressing Download Reports.

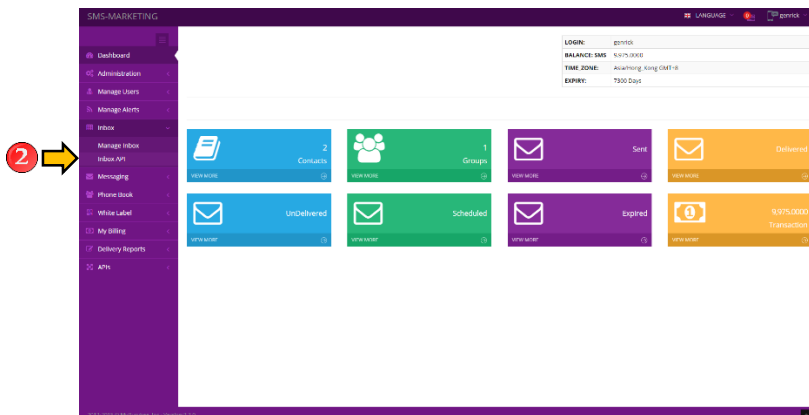

INBOX – INBOX API

1. Click Inbox to view all the options.

2. Click the Inbox API Sub-Menu under the Inbox

3. This API allows you to retrieve incoming messages received on your account. You can request for API Key by pressing Request API Key

Home > Developer API Credits 566,0000 SMS Expire 7304 Days

INBOX API Key

Your API Key is: **564e78a265a2c** [Request API Key](#)

Incoming SMSs API

This api allows you to retrieve incoming messages received on your account.

API Url: `https://203.124.96.62/app/inboxapi/index.php?key=API_Key&sdate=START_DATE&edate=END_DATE`

key: Your API Key (564e78a265a2c)

sdate: The Start Date: Format yyyy-MM-dd, if not specified will return all incoming SMSs.

edate: The End Date: Format yyyy-MM-dd, if not specified will return all incoming SMSs for the start date.

Returned data format (simple)

Your incoming messages are returned in a simple delimited format: status_code|status_description|extra_info_msg_id|sender|message|received_time

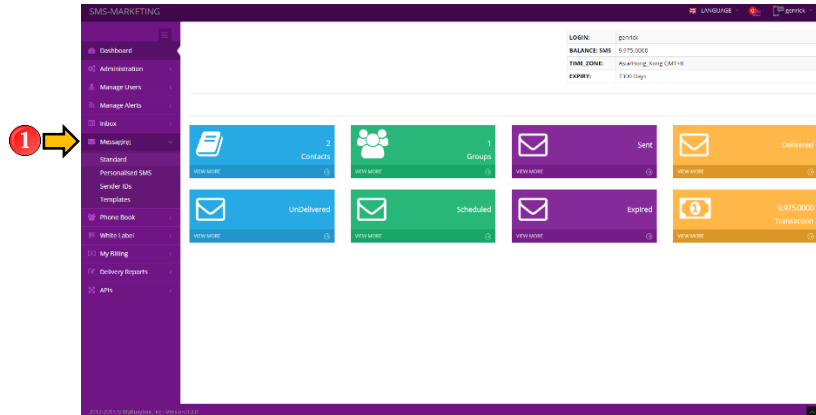

Examples:

```
1219|4412312345|Hi there|2011-01-20 16:06:40
1220|4412312346|234f345a324b6b523a|2011-01-20 16:07:35
1221|4412312399|This is a Unicode message |2011-01-20 16:08:00
```

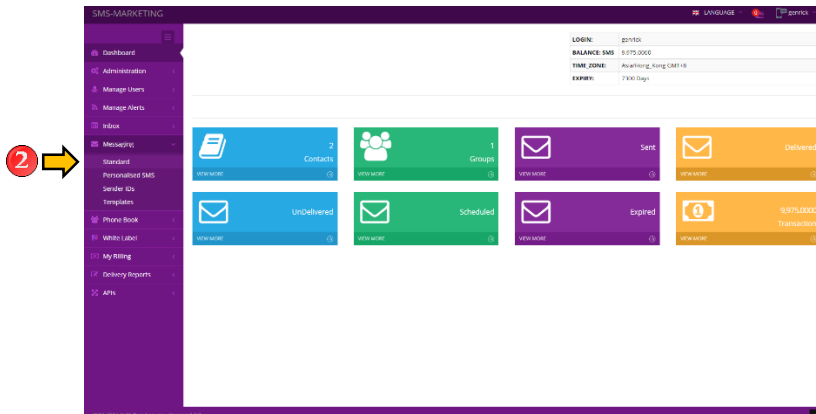

The format of received_time is yyyy-MM-dd HH:mm:ss (24 hour clock), in your account's configured time zone. message_id is a unique integer id per message.

MESSAGING – STANDARD

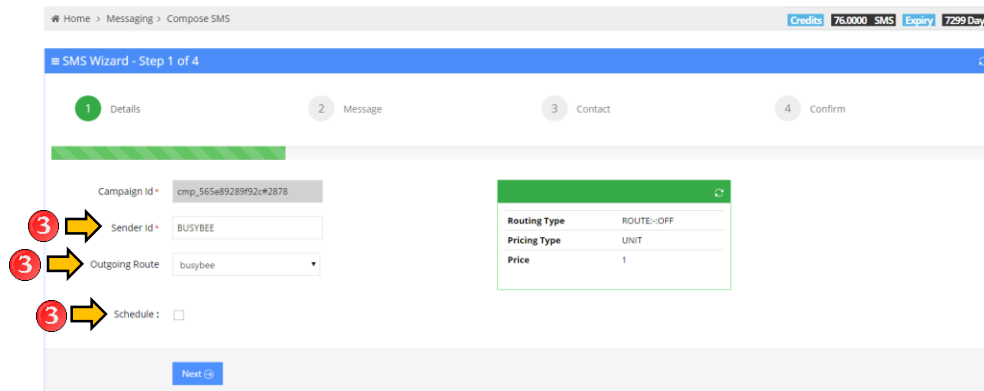

1. Click Messaging to view all the options in sending SMS.

2. Click the Standard Sub-Menu under the Messaging

3. Choose your Sender ID and Outgoing Route. Check Schedule if you want to send it in later time.
